

MLLI Accelerated BA/MA in Intercultural Communication

Are you a MLLI Major interested in working in an intercultural environment? Do you want to be career-ready in an increasingly diversified and globalized world? Are you interested in saving time and tuition dollars by earning your Master's in Intercultural Communication in just ONE YEAR?

The BA/MA Program in Intercultural Communication can help you realize your goals.

Program Highlights

- an emphasis on both the development of intercultural expertise and foreign-language and cultural proficiency
- the acquisition of intercultural skills in areas such as training, digital media, education, administration and policy
- an international and multilingual community of faculty and students committed to inclusion, diversity, community building and civil engagement

Future Careers

Our students have found employment in the following areas:

- International organizations (e.g. World Bank) and NGOs
- Federal government and agencies (e.g. USAID)
- Higher education, international advising and education
- Foreign language education and intercultural training
- Social service and community organization

Program Requirements

- 3.0 GPA or above
- Two letters of recommendation
- Statement of interest in the INCC program
- Completed application form
- **NO GRE REQUIRED**

Application Form available in the MLLI Office or online [here](#):
